Company Overview

TransPacific Communications has more than 20 years of expertise in cross-cultural communications, coaching, consulting, and media training. We are an 8(a) Certified, Economically Disadvantaged Woman Owned Small Business (EDWOSB) and have been providing communication training for public and private sector clients.

Core Capabilities

TransPacific Communications supports both public and private sector clients through education, awareness, and training to improve cultural competencies of your entire organization. Our niche is twofold: We focus on breaking cultural barriers by helping speakers develop the skills necessary to succeed. We also strengthen organizations' cross-cultural communication skills by assisting people of diverse nationalities and cultural backgrounds in interacting with one another. Plus, we have a multi-lingual team of top linguists and translators.

Benefits of Cross-Cultural Communication Training

Organizations going through our program help their employees develop the skills needed to overcome professional, cultural, and communication barriers, improving cultural competencies and overall communication of the organization. We have the ability to tailor our cross-cultural communications training to address your specific cultural and communication needs.
